THE STORIES ONLY YOU CAN TELL

## A Creative Writing Workshop

for everyone who's ever thought: *There's a story I'd like to tell ...*

### Positively Pivotal

What inspirational story from your childhood would you like to tell? This is an opportunity to recall and share your memories of pivotal moments and people, including animals, who have influenced your life in a positive way. In this relaxed, informal afternoon workshop we'll identify our stories and explore ways to celebrate and honour them in creative writing, whether prose or poetry, fiction or biography – or even drama or song.

### Wootten Courtenay Village Hall

3.00 – 5.00, Monday 10<sup>th</sup> December 2018

**The cost is £10.00. Places are limited, so please book well in advance.**

The workshop will be led by local writer Caitlin Collins. Cait has an MA in Creative Writing and is a qualified and experienced personal development coach. For seven years she was a staff writer and copy editor for a leading UK personal development magazine. Having brought out two non-fiction books, she is now focusing on short stories and novels.
