Farm and Horse Watch is a valuable tool especially over Exmoor where some places can be quite remote, PCSO Linda has recently signed up another scheme in the area. Also we have the dogs on leads signs which are actually have been very beneficial particularly this time of year with lambing. If you would like to join the scheme or find out about it please contact me linda.brooks@avonandsomerset.police.uk

We are looking at using the Drone for an upcoming focused patrol regarding off road motorbikes, of which we are getting reports of this happening in various locations we are working with National Trust and our Devon and Cornwall colleagues.

The Drone has also been useful recently with a problem with Hare coursing in a neighbouring beat area.

We have a force wide operation tackling knife crime and there are some sessions for the secondary schools planned. We will also be visiting local shops in the area of which sell knives with posters and advice about not selling to people under the age of 18.

The coronavirus guidelines have changed recently meaning that you are able to meet with 6 individuals, or 2 families regardless of numbers. In an Outdoor space. Please see the Gov.website for further information.

Bike Marking

We are planning on holding some bike marking events where we can mark your bikes free of charge. All we need is your bike and email address. This will be recorded on the Bike register database.

We will advertise these dates on our Facebook page. Sometimes these may be last minute but please don't worry if you miss it we will hold many more and neighbouring beats will also hold events.

SERVE. PROTECT. RESPECT.
