School Engagement.

We have been out and about at our local schools
with the parking buddies these have been very
successful and the children have loved seeing them.

We hope to be out and about with them again in the
near future. Raising awareness for road safety
especially around the schools. Helping to keep our
children safe.

Thank you

We are very happy to report that due to fast acting
members of the public we were able to arrest a male
at Cutcombe Market after he was observed trying to
tamper with vehicles, he has since been charged
with an offence.
