## Selecta DNA Marking

PCSO Linda Brooks has been out and about and has marked some tools with the Selecta DNA.

This helps to identify any tools should they be stolen they are recorded on a database and Items are marked with a sticker showing that the item is marked this helps to deter thefts.

**Exford**

Exmoor is very saddened to hear the news of the tragic fatality in Exford and our thoughts are with the family and friends of the people involved and the wider community.

The police and other agencies are looking at holding a small road safety and support session in Exford in the coming weeks. Where people can come together and speak to Police, road safety and the other agencies,

The date will be 27th October at 10:30am –12:30pm We are hoping to hold it on the Exford green or in the near vicinity subject to permissions.

Pcso Bryan Stevens has been on foot in the village to help offer reassurance to the community. He has also visited Cutcombe market and chatting with the locals.

**SERVE. PROTECT. RESPECT.**
