There was a road safety road-show at the Cutcombe market held by Exmoor Hill Farming Network on 31st January where the Police the Road Safety Partnership ,Devon and Somerset Fire Brigade were invited was a great way of the local farmers getting together and offer support to each other.

Thank you for the invitation to your event.

## Minehead Eye –KITE

The NPT were in attendance at the Minehead Eye for the launch of the KITE Project. The Kite Project has been created to help families and young people in West Somerset make connections and discover resources available to them in this area a number of agencies attended to support them in their launch and to offer information to members of the public who attended. There was lots on offer and the whole day really showcased what West Somerset can offer .

Michelle has been into Cutcombe school to read to the children. This is a great way for the children to see the friendly side of policing and know that we are approachable.

Linda has been in Exford marking tools with Selecta DNA. A great crime prevention tool.
