**NEWSLETTER (13<sup>th</sup> December 2023)**

### **THANK YOU WOOTTON COURTENAY!**

Colleagues from Home-Start came to the Villagers' Stores on Monday to collect the Christmas presents donated by Wootton Courtenay villagers. Clare Pound, manager at Home-Start, is once again delighted with the response from our village saying: *“We are absolutely thrilled to accept the kindly donated Christmas presents from the villagers on behalf of the families we've supported, we know that this wonderful gesture will be highly appreciated and give huge pleasure to these families during difficult times.”*

Sarah and Mark were definitely in the Christmas spirit when they handed over the gifts!
