NEWS IN YOUR AREA

April/May 2025

Police updates

PCSO's Michelle and Linda have been out visiting beauty spots areas we have had a few break in's to vehicles at Dunkery beacon area where access was gained to the vehicles and items taken.

We have visited these locations and others to give crime prevention advice and leaflets to put in cars to show that the motorists have thought about it and taken items out of the vehicles.

We have also visited some of the local campsites to offer these leaflets at reception for potential guests to make the visitors aware of preventive steps. As in all cases recently the victims were all people visiting the area.

Please can we remind you to keep dog on leads when out exercising them in fields with livestock. Please avoid fields with livestock in as there are a lot of ewes with their lambs. Livestock worrying is extremely serious and can cause harm to the animals. Please close gates behind you when walking over footpaths/access.

Our Priorities

Vulnerable Properties/Target Hardening

Although Exmoor is a relatively low crime safe area, we will be concentrating on some of our isolated/vulnerable properties over the Autumn/Winter period. Following the successful Police Posts held in some of smaller villages during the summer, we will advertise dates where we will offer crime reduction advice and cycle registering

Farm Contact Crime Prevention

PCSO's regularly visit and speak to farmers offering crime prevention Farm and Horse watch. As well as visits in the rural community, We attend the Cutcombe market once a month and offer crime prevention and advice.

Drug, Drink Driving and Drug Dealing

If you are concerned about someone who may be drink/drug driving or dealing drugs in your community, you can report your concerns by ringing 101/999 (if urgent), via Crimestoppers online or by ringing 0800555111. You can remain anonymous and your information may save a life.

Exmoor Updates

Exmoor Neighbourhood Policing team will be at these locations to give crime reduction advice, answer any questions and deal with any issues.

We look forward to meeting our communities and the many visitors to beautiful Exmoor

All attendance is subject to commitments at the time

Please can we remind you if you wish to report something you do it via the 101 number or an online submission through our Avon and Somerset webpages.

Alternatively 999 for ongoing emergency incidents.

[Parking Scams](#)

Please be vigilant we have had reported to us that QR codes in car parks (Currently Watchet area) have been compromised this won't be in all cases but if unsure please ring the parking provider for information and guidance of how to pay. This is a scam where as the offenders place QR stickers over the top of the existing ones provided then the person scans the QR code to pay but then it will go to the scammers rather than the parking provider.
