

# Technology for Sale

## Hard drives

Two hard drives with USB-A connectors. If you need to store lots of photos, documents, videos or other media, these might come in handy. They will plug into any computer with the older style USB connector, and work with a PC or Mac. Free to the taker.

**Toshiba 500Gb drive**

**Bipra 500Gb drive**

## Apple Trackpad

An Apple trackpad, works via Bluetooth with a Mac only. It comes with two rechargeable AA batteries, just plug them in to a USB port to charge them up. (The green top comes off on elastic to reveal a USB connector).

£20 and it's yours.
