

Handling Tradition

Definition: the handing down from generation to generation of customs or beliefs .

We can split tradition into sections

1. Family
2. Local
3. Rites of passage
4. National

Questions

1. Why do we keep traditions?
2. Are they still important to us as we change and grow into a more diverse society?
3. What traditions are good?
4. What traditions are not good?
